Munich, May 3, 2021

## Presseinformation

### Mark the date

#### **electronica 2022 postponed one week**

Messe München is postponing electronica 2022 by one week to

**November 15–18, 2022** for organizational reasons. This is to avoid the construction of electronica overlapping with the dismantling of bauma on the exhibition grounds. bauma was recently postponed to October 2022. In 2022, electronica will once again present the entire spectrum of technologies, products and solutions of the electronics industry in Munich.

More information about electronica at [www.electronica.de](http://www.electronica.de)

### About electronica

electronica is the world's leading electronics trade fair and conference. The trade fair is the most important meeting point for the electronics industry internationally and also offers a supporting program with forums and conferences such as the electronica Automotive Conference (eAC), the electronica Embedded Platforms Conference (eEPC), the electronica Medical Electronics Conference (eMEC) and the Wireless Congress. In 2018, the electronica Experience with live demos and applications celebrated its premiere in Hall C6. Since 2016, electronica has presented the electronica Fast Forward Award, the fair's own platform for start-ups. electronica 2018 attracted more than 81,000 visitors and over 3,100 exhibitors. electronica has been held every two years in Munich since 1964. The next exhibition will be staged from November 15 to 18, 2022.

### electronica worldwide

In addition to electronica, Messe München organizes electronica China, electronica South China, electronica India, the SmartCards Expo and electronicAsia. The network of electronics trade fairs also include productronica in Munich, productronica China, productronica South China, productronica India and LOPEC.

### Messe München

Messe München is one of the world's leading networking platforms. In a reflection of the slogan "Connecting Global Competence," Messe München serves as a global networking platform and brings together decision makers from all parts of the world. Messe München's portfolio comprises more than 50 trade fairs for capital and consumer goods as well as new technologies that focus on the latest social issues. These trade fairs include the world-leading trade fairs bauma, BAU, IFAT and ISPO Munich. The roughly 200 events organized by Messe München each year attract about 50,000 exhibitors and 3 million visitors.

Messe München has one of the most modern exhibition grounds in the world and with its four locations in Riem, the ICM – Internationales Congress Center München, the MOC Veranstaltungszentrum München, and the Conference Center Nord, is able to fulfill all its customers' requirements individually. Messe München is very successful in its domestic market in Munich as well as in other countries. It is active in all important growth markets: China, India, South Africa, Brazil, Russia and Turkey. Overall, Messe München, with its network of associated companies and foreign agencies, is present in more than 100 countries.
